

Phonics Summer Course

SUMMER COURSES

My Phonics course is tailored to supporting the learning of Reception phonics and retaining this important early learning over the summer holidays.

The course is ideal for enthusiastic literacy students who want to practise their sounds and letters over the summer break. As a result of the course, on their return to school in September they will be best placed to excel in their Year One sounds.

Finer Details

All live lessons are supplemented with a recorded version, so that if you miss a lesson you can still take part. Our live lessons will take place on Zoom and parents are more than welcome to join in the fun.

All lesson videos, resources and additional materials are available to download in my easy to use student management system.

We will revise the key sounds and letters covered in Reception, practise segmenting words into their individual sounds and blending sounds into complete words.

During the learning there will be songs, activities and fun to help keep our learning engaging, enjoyable and (most importantly) memorable.
